We want 1,000 Subscribers for the Jackson County Sentinel. The Dearborn Independent, a great weekly published by Henry Ford, wants 1,000 Subscribers in Jackson County. To get them we are going to give to the most popular lady, man, or child, a Ford touring car for their trouble. Who is the most popular lady, man or child in Jackson County will be decided by votes given with each subscription. The price of the two papers per year will be \$2.50. Cash must accompany all subscriptions. With each new or renewal subscription to these papers 1,000 votes will be given. The one securing the largest number of votes will be awarded the Automobile.

Other prizes are being figured on but the parties have not yet decided as to what the articles will be.

Contest will close when 1000 or more subscribers to the Sentinel and Dearborn Independent have been secured. Votes and subscriptions will be counted each Saturday, and on the Saturday that the 1000 or more subscribers have been reached the contest will be closed.

Halley's comet has been traveling through space for countless centuries at a rate that makes us dizzy to contemplate. As far as we know it has never come in contact with any other celestial body. If there is a power above

with sufficient wisdom to have started this immense body going ages ago at just the right momentum to cause it to cross the earth's orbit every so many years at a point which at the pace the comet travels, might be called just barely missing us, how can we doubt the power of of this being to give us everlasting life or to take away at pleasure the breath of life that gives animation to this tenement of clay.
